Polkaswap **Logo** Usage

This is the full version of the Polkaswap logo. It is used for the main Polkaswap brand, either referring to the project as a whole or the decentralized exchange (DEX), the web (or mobile) application, etc.

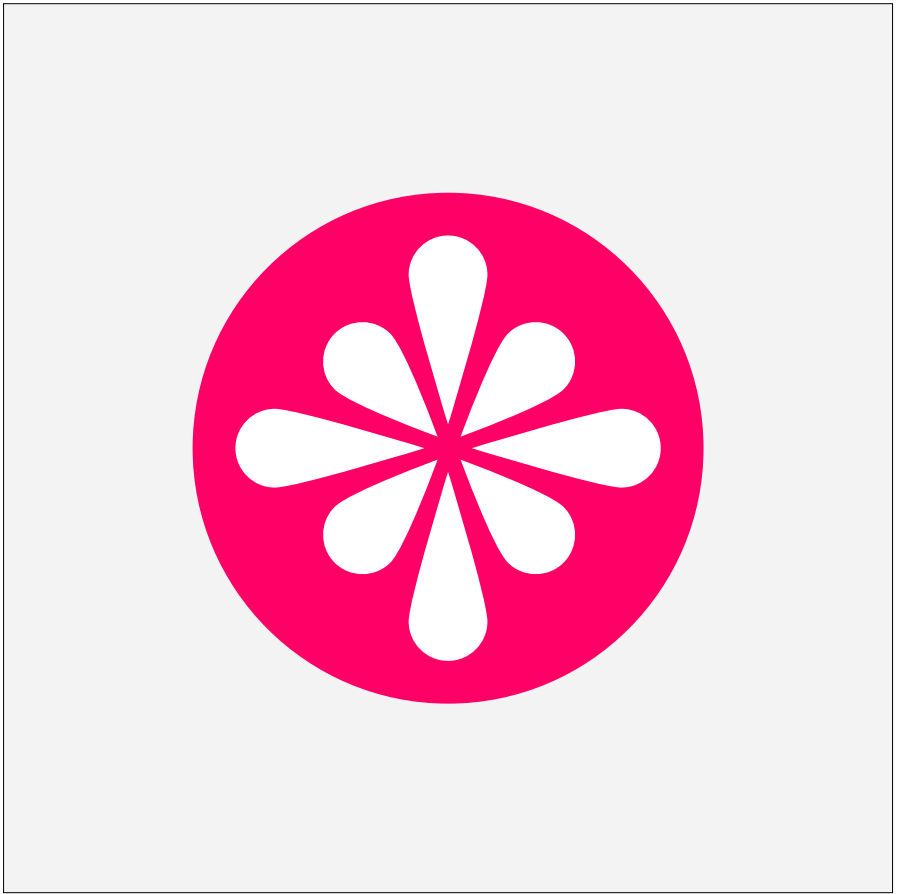

Logo Colors

Polkaswap Pink	HEX #FF0066	RGB 255 0 102
Polkaswap Purple	HEX #330066	RGB 51 0 102

This is the compact, logomark only, version of the Polkaswap logo. It can be used as a social profile image or in other situations where a small icon format is needed to refer to the main brand of Polkaswap.
